- Theatre/Amphitheatre hire for a technical/dress rehearsal/performance includes the services of a qualified technician for lighting and sound. More complex sound, lighting or stage setups may require the services of a second technician. If required, this will be charged to the hirer at the current industry rate.
- Theatre prices listed above include a standard lighting rig. Additional charges will apply for more complex rigs and lighting design.
- Additional microphone/technical hire outside of normal requirements will be billed to the hirer.
- A surcharge of \$25 day will apply for all sets left on stage outside of show days, or for dressing rooms occupied outside of show days.
- Hire of Theatre 1/Amphitheatre includes the use of the Dressing Room and Studio 3. Additional dressing rooms will be charged at the regular room rate.
- Please note: for any performance, the Friends of the Centre service charge will be added to your booking. The Friends of the Centre provide services such as ushering, technical services and backstage assistance as required.
- Hire on a Sunday or public holiday will incur a 20% surcharge from January 1, 2012.
